Medicare Part D Open Enrollment

Every year beneficiaries with Medicare Part D have the opportunity to select the drug plan that works best for them during an Open Enrollment period. The Open Enrollment for 2013 ends December 7, 2012. New enrollment packages have been sent out to all Medicare Part D subscribers notifying them of the changes.

For more information on Medicare Part D Open Enrollment or switching plans:

- Call Medicare's toll-free hotline at (800) 633-4227
- Go to Medicare's website at www.medicare.gov
- Call the Center for Health Care Rights at (800) 824-0780

Beneficiaries with Medicare Part D should check their coverage for 2013; if they are happy with their plan, they do not have to do anything. For the beneficiaries who have made changes to their plan, those changes will take effect on January 1, 2013.
